FOREWORD

The annual staff of 1947 presents the Oracle. Between these covers, you will find yourself and your friends in many different scenes and situations. We hope that in later years this book will recall to you fond memories of happy days and cherished friends. Since this is the main purpose of any annual, we present as our theme, "school life." We have endeavored here to depict the principle aspects of life as we students continue to carry on the traditions of rattle-trap jallopies, football enthusiasm, and fear of exams.

You are holding in your hands one year of your life which you may bring to mind at any time. We sincerely hope that this year will live with you in the following pages of the Oracle.

DEDICATION

To this years football team, we proudly dedicate the 1947 Oracle, also a word of commendation to the coaches who helped make the football season so successful. We desire to show our appreciation and to give a full measure of applause to the team's honest endeavor toward good clean fun.

BOARD OF EDUCATION

We students may not be so familiar with the Board of Education and our county superintendent, H. E. Ryder. However in order to become acquainted we bring them to mind on this page.

All school necessities are supplied by this group to make our student body a well equipped one. They deserve our sincere appreciation for fulfilling this position in addition to their regular jobs.

Mr. Harold Ryder
County Superintendent

Superintendent's Office
February 26, 1907

The Oracle Staff: Thanks for the privilege of placing a personal message in Whitmer's meritorious year book, The Oracle. It is indeed a great opportunity to thus record a few sentences which shall be perpetual because of the very nature of your publication. To you then, and to those others who may read these lines in future years, I wish most of all to stress the pride all of us, should feel in being a part of the Washington School and of Whitmer. You of the Staff who assemble the parts of the Oracle are a representative cross section of some of the best people to be found in any school district in America.

Most sincerely yours,
Earl B. Whitmer

as I look back over the past ten years at the helm of Whitmer's ship of state, I have watched many ship-mates come and go. Many have weathered the storm and have left the ship by way of graduation into fields of useful service. Others, however, swallowed up by storms and tempests are wandering aimlessly and helplessly about. Let us keep in mind the words of Commodore Perry, "We have met the enemy and they are ours." and also abide by the advice of Captain Lawrence who said, "Don't give up the ship."

THE STUDENT COUNCIL AND COURT

President	Ralph Whitney
Vice President	Bob Freeman
Secretary	Gloria Pepin
Treasurer	Pat Schaefer
Advisor	Mr. Pritts

The Student Council and Court have been very active bodies in Whitmer High School. The purpose of the two organizations is to promote a better understanding between the faculty and students. Under the supervision of Mr. Pritts, the council has offered suggestions to the student body for their voluntary improvement of the school.

HALL PATROL

Bob FreemanCaptain
Mr. PrittsAdvisor

The Hall Patrol is composed of a volunteer group of Junior and Senior students who must have average grades above "C". There are 36 regular members, and 14 substitutes under the supervision of our Student Council Vice President, Bob Freeman.

The Hall Patrol has a three-fold purpose:

1. To maintain order in the halls.
2. To welcome and assist visitors.
3. To check hall and library permits.

Student rules are set up by the Student Council and violations are noted by the Patrol group. The splendid co-operation of the whole student body with the Patrol is shown by the small number of rule infractions reported to the Council.

CLASS HISTORY

In the year of our Lord nineteen hundred forty-three,
The Freshmen entered dear Whitmer very timidly.
The upper-classmen wondered too
What such small fry would turn out to do.

We proceeded to give the skate of the year,
And then a dance that brought a cheer.
We elected officers with the greatest of care
And launched a happy high school career.

Oh wonder of wonders we returned in the fall,
And promptly proceeded to amaze us all . . . Ahem!
We sponsored the movie "Toledo Tomorrow,"
And second place on Field Day brought great Laurels.

As Juniors we gave a successful play,
And received the class rings--Oh joyful day!
The Junior Prom followed next in line,
And gee! This sure is hard to rhyme!

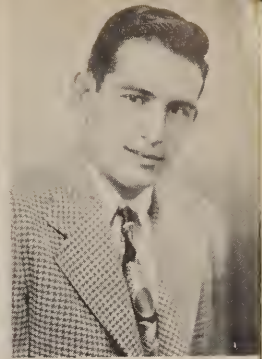

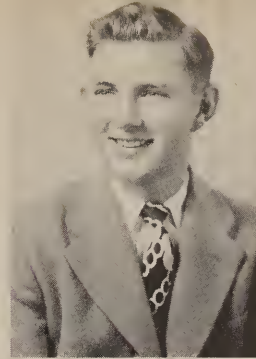

Now we are Seniors, oh joy and bliss,
To the teachers that passed us we throw a kiss.
Civics and English are now a thing of the past
And with gladness and sorrow we are free at last.

But oh, much to our great sorrow,
Graduation Day is tomorrow,
And we will have to leave our dear
old school,
So kind friends we bid you all "ADIEU!"

PROPHECY

The year is now 1957. It has been ages since we have seen our classmates. Many times we have wondered what they are doing. Our roaming thoughts take us to . . .

Naomi Albring sweet and neat . . . is happily married she can't be beat. Who is taking Gregory Peck's place in the famous new picture Snorgasbord? . . . None other than Floyd Ford. An archeologist is her aim, and Joyce Adams is her name. Dennis Bryant and Johnny Sutherland are starring as clowns in the new big circus at Heather Downs . . . Ruth Amtsbuechler what a dill . . . has just proposed to Junior Hill.

Guess where Shirley Barnes spends her life . . . On a farm as a farmer's wife. The Hi Speed Station at Secor and Monroe is being run by Don Barton, our football hero . . . Our great actor Dick Bair is now on Broadway in, "Do You Dare." Bonnie Beckley as nice as can be . . . spends her life selling Christmas trees. JUNIOR CLASS HISTORY

We made the grade—now we are upper classmen.

November 26, we received our long awaited class rings and pins.

The biggest hit of the year was the Junior play "A Date With Judy," which was presented the 5th of December. In April we held our Prom. The Junior and Senior party was given the same month. Both were a big success.

We've done our best so far and now we will strive for higher goals. Isn't it wonderful that we will soon attain the coveted name "Senior"? It won't be long now!

SOPHOMORE CLASS HISTORY

Emerging from our Freshman year, we started with a bang, ready for the work and social events that confronted us.

As we launched into our Sophomore year we were more confident of ourselves and a little more at home in Whitmer's halls!

So far we have sponsored an after game dance and many other class activities.

When the Juniors got their rings, we looked at them and proudly said, "next year, we will be upperclassmen and get our rings." So with that thought in mind we'll breeze through our Sophomore year, looking forward to two more happy and eventful years at Whitmer.

FRESHMEN

FRESHMEN CLASS HISTORY

There we were, two hundred slightly, frightened freshmen loose in Whitmers halls. The upperclassmen stood around with a glint in their eyes waiting for that dreadful week of "initiation."

Our first difficult matters were ironed out by our advisor Mr. Walker. We also owe many thanks to the rest of Whitmer's teachers for their help.

Among some of the events of the year were the freshmen skate and after game dance. Everyone enjoyed the dance very much. We, freshmen are getting along fine now, and we hope to have three more successful years at Whitmer.

The school year book of Whitmer High School, the Oracle, is published by the Senior Class.

This year for the first time the Oracle has been edited by a journalism class made up of juniors and seniors under the supervision of Miss Mary Monahan.

As assistant editor last year, Abby Kronk succeeds to the position of editor. Her assistant is Wayne Riley, while the literary and mechanical editors are Helen Willard and Mary Ellis respectively.

The business department is under the direction of Joyce Adams while her assistants in their various capacities are Mary Williams, sales; and Naomi Albring, advertisements.

Now we, the annual staff, submit this book to you, the student body, for your approval of our work.

THE FLYING "W"

FIRST ROW: Mary Williams, Helen McQuestion, Business Mgr.; Barbara Hodges, Editor; Mary Ellis, Betty Dent, Abby Kronk.
 SECOND ROW: Miss Monahan, Mary Curson, Naomi Albring, Betty Felkey, Helen Willard, Donna Straub, Lois Kennedy.
 THIRD ROW: Sharon Orns, Bud Poitinger, Wayne Riley, Jerry Carter, John Wehmeyer, Larry Orr, Joyce Adams.

The Whitmer school paper, the "Flying W", discontinued in 1941, was revived last September when the school added a journalism class to its curriculum.

The journalism class, under the guidance of Miss Mary Monahan, published an issue once each month. Although the staff is composed entirely of members of the journalism class, anyone who wishes may contribute articles. The responsibility of putting out a paper was completely new to the members of the staff this year, but next year's class will receive the benefits of this year's experience.

The purpose of a school paper is to promote school spirit and bring about a better understanding between the students and the faculty. If we, of the journalism class, have contributed in some small way to the betterment of school spirit, we shall have accomplished our purpose.

The aim of this society is to cultivate the trails of character, service, leadership and scholarship. The new members are chosen on this basis.

In order to be chosen for this society you must be ranking in the upper one-third of your class. From the upper one-third you are chosen by the faculty according to how you characterize ideals of the society.

At the induction ceremony there were eight Juniors and eight Seniors inducted. Mr. Earl Driver and Mrs. Elmer Marks were our guests at the ceremony.

Last year the Honor Society chose as their advisor Mrs. Fontaine. She has helped the society through many of its troubles and hardships.

The fans of the football games are very enthusiastic over the selling of pom-poms and football pins. They really add color to the game.

A few of the brave girls take up horse back riding lessons at Douglas Meadows. They have loads of fun and stiff joints in the process of learning.

October is a busy month for the club—with a hayride and a Halloween dance at the Civic Center.

Our next big event is at Christmas when the Junior Y-Teens put their heads with ours and come out with a Christmas assembly for all. We still have more fun up our sleeve and prove it by giving a Mistletoe dance.

The Mother's and Daughter's Banquet in May brings an end to all our good times. We will always associate fun with our club. Y-Teens gives us a better understanding of each other and all races.

At the beginning of the year we sponsored a hayride which was lots of fun. As a service project the club makes scrapbooks and gives them to the orphans.

Along with the Freshman Y-Teens we are putting on the Easter assembly. The flowers from the program will be sent to the William Roche Hospital of Toledo.

Each year our club adopts the first grade from the Miami Children's Home. A Christmas and a Valentine party give the children fun and pleasure.

All the girls in the club sign pledge cards for the Y. M. Building Campaign.

We plan to have a barn dance in March to raise money for the band's new uniforms.

SALT AND PEPPER

This year's club has many interesting meetings—thanks to our new advisor, Mrs. Brumm. Our officers and many committees plan a full activity calendar.

As in previous years, we sell maize and blue Freshie hats. Selling popcorn at basketball games is another of our projects. Both of these items are in great demand and the club girls have a lot of fun exhibiting their sales ability.

Our outstanding events of the year were a wiener roast, an aftergame dance, and our annual picnic. Fun is an assured factor at each of these.

This year the Salt and Pepper Club's gift to Whitmer is one publication of the "Flying W." Another contribution is a new uniform for the school band.

Motto: We, the members of the Varsity W club, pledge to each other eternal friendship, loyalty, and brotherhood.

The Varsity "W" club is exclusively for holders of a varsity letter from one of Whitmer's four scholastic sports. Our motto clearly shows what we represent.

Anyone receiving a letter also receives an invitation to join our club. Those who join receive the honor of being in the most exclusive club in the school.

Our social events during the year were as follows: First, a successful dance after the Rossford football game, and next a party for members and their girls. This was held at Ted Bucher's house right after hunting season opened, and we had rabbit and pheasant. When the new members were initiated into the club, they gave the old members a party (boys exclusively). We also are planning to make our 8-Ball Drag dance an annual affair.

The Projection Club is a "Service Club" for Whitmer. Along with class room films, they also run the feature movies. These boys receive no pay for their services. Their only compensation is satisfaction in a job well done.

Under the supervision of Mrs. Schlegel, the Senior girls organized a bowling club. Officers made all the necessary arrangements at Twin Oaks. Each team consists of five girls who do their best to reach the mythical 300.

If you look out every Monday you can see the girls off to a lot of fun.

High scorer for the Senior League is Mickey Pruss. Booby Prize goes to Lois Jennings who always manages to get the lowest average.

The Luckey Strikes have the highest number of games chalked up.

The girls hope that in future years the Bowling Club will be as much a part of the schedule as football, basketball or baseball.

Wednesday evening after school is the time for bowling, and Twin Oaks Bowling alleys is the place. To make the season more interesting, prizes are given for individual and team ratings. The purpose of the club is to promote general knowledge through the collection of stamps and to increase knowledge in geography and history. To join the club and to become an active member, it is necessary to have a stamp collection or to begin one immediately.

Members of the club sponsor a stamp exhibition. Everyone is greatly surprised to learn how interesting a stamp collection can be. Members also enjoy a "Stamp Party" at which everyone exchanges stamps and discusses experiences.

Honorary members of the faculty are Mr. Marks, Mrs. Mead, Mrs. Thompson, Mrs. Schlegel, and Miss Kern.

The band has played at the home and out of town football games. Besides this they have helped out in many assemblies and plan to participate in the Lucas County Music Festival.

Accompanying the band are our major and majorettes. This is the first year we have had a major, and we are very proud of him.

The biggest project of this year, however, is the purchasing of new uniforms. There has been a campaign to raise the money and most of it has been secured.

MAJORETTES

MAJORETTES: N. Thompson, M. Enbody, B. Gillespie, J. Wehmeyer, R. Amtsbuechler, E. Amtsbuechler, V. Stratton.

Tribute

This year the majorettes, under the capable leadership of Johnny Wehmeyer, our first drum major, led our band through a successful football season. This is to congratulate them on their rhythmic strutting ability. For the Seniors who will not be returning we give a hearty "thanks." To the others we will be looking forward to seeing you again next year.

THE A CAPPELLA CHOIR

This year the A Capella choir completes its third successful year of singing for pleasure and entertainment.

Under the capable direction of Mr. Clyde L. Brown the choir first presents a Christmas Concert. The choir's traditional caroling through the halls creates a little more Christmas spirit for each of us.

At the start of the New Year the choir settles down to practicing for the May Festival at Rossford and also to practicing for its annual music assembly. Each and every one of its activities prove to be a tremendous success.

As the last notes of the A Capella choir die each person will be proud to say that he is a part of this wonderful organization.

Throbbing drums catch up the heightened heartbeat of the audience and provide a sinister background for the shrieks and laughter of the senior play.

In a half ruined mansion in the desolate lagoon, are weird forces and strange people threatening the lives of oddly contrasting characters.

Bailey, a relative disappeared. A half-mad housekeeper; Celeste, who has weird trances; a surley Haitian Negro; and Harley, questionably feared or trusted, are accosted. Ghosts, monsters, and a gooded figure threaten.

The crackle of laughter at the absurdities of the sheriff and the saucy Amelia break the tension of the mystery-comedy.

Houselights dim! Telephone rings! Action! Our "Date With Judy" begins, a play adapted from the radio program by the same name.

Loveable, teenage Judy and her family are like every other American family, only Judy's "clever" schemes seem to provide a few more laughs. Judy's "precocious" kid brother, Randolph, holds a laugh in every line. Her mother becomes a "lively lady" and Mr. Foster acquires "kissable lips," but Judy's real trouble is with Oogie Pringle, the "man" in her life.

Only Judy could go through all that she does—and how she does it makes a most delightful, laughable comedy.

NATIONAL HIGH SCHOOL SPEECH SOCIETY

Tuesday, March 11 at 3:30 P. M. marked our first initiation of Masque and Gavel, the National High School Recognition Society for the Promotion of Speech for Use. After the initiation, a tea was served by Miss Kern, instructor of home economics, and her students.

As interested speech students, we were pleased when we heard the application of our school for a charter had been approved by the National Board of Trustees.

Masque and Gavel Society was created to serve and to honor secondary school students and teachers interested in better oral usage of American English. It was formed in the spring of 1940 by a representative group of high school teachers and faculty members of the Northwestern University School of Speech only after an extensive examination of the needs in

the field. The founders desired to provide a better speech motivation for all students. The society has two important aspects:

1. Honor to the individual student.
2. Service to the high school and to the community by the honored student.

Motto: "Speech for Use" Colors: Royal Blue and White.

Our officers served as our "founder group", initiating twenty students. Our total membership is twenty-five pupils.

KNIGHTS OF PYTHIAS ORATORICAL CONTEST

Betty Gillespie, third place winner in the State Prince of Peace Contest in 1946, was again a winner in the national finals of the Knights of Pythias Contest. This being an oratorical contest, she wrote an original ten minute speech on the topic, "Five Milestones in the Progress of My Country."

Betty's first meet was in Toledo on March 27, 1946 in competition with seven other pupils from various high schools in the neighborhood of Toledo. Having placed first in the local contest she won a gold pin and a pen and pencil set for herself and a plaque for Whitmer.

Following her state triumph over nine other contestants at Coumbus on April 27, Betty went to Lafayette, Indiana, where she also emerged the victor in the sectional contest May 28.

From this victory she went to the regional contest staged in Baltimore, Maryland, where, in competition with other contestants from all states east of the Mississippi, she again walked off with top honors.

Competing in the national finals held in connection with the National Convention of the Supreme Lodges of the Knights of Pythias at Tulsa, Oklahoma, on August 10 she was awarded a \$250 scholarship for having won third place in the nation.

PRINCE OF PEACE DECLAMATION CONTEST

FIRST ROW: J. Hageman, A. Fischer, J. Marks, Miss Wirick, R. Anderson, P. Walker, C. Hallauer.
 SECOND ROW: A. Rightmyer, S. Fling, R. Peterson, N. Swartz, E. Morrette, D. Grodi.
 THIRD ROW: R. Bair, J. Adams, W. Riley, F. Plumb, P. Miller, J. Hier, N. Albring, M. Lee.

Whitmer had twenty-one entries in her second year of participation in the State Prince of Peace Contest.

Four local contests were held. Joann Marks won first place and Wayne Riley second at the Reformation Lutheran Church, on Sunday, November 3.

Ramona Anderson and Doris Grodi won first and second places respectively at Trilby Methodist Church on the same date.

On Sunday, November 10, Pat Walker won first and Joyce Hageman won second at Augsburg Lutheran Church.

Our fourth contest was again held at Trilby Methodist Church on November 10 with Phyllis Thomas winning first and Arlis Fischer second.

Each one of these local winners received a bronze medal as an award. On December 8, Joann Marks represented the school in the county contest as Eastminister Presbyterian Church, Pat Walker at Calvary Evangelical United Brethren Church, and Phyllis Thomas and Ramona Anderson at Trinity Baptist Church.

Even though we did not have a State Winner this year, we feel satisfied with the outstanding improvement of a large number of pupils. An added feature this year was recording the speeches of these contestants.

PANEL DISCUSSIONS

During the past year members of the Whitmer Speech Club competed in three panel discussions.

Our first discussion was held with girls from Whitney Vocational High School on January twenty-eighth. This discussion was broadcasted over the facilities of station WTOL on the program, Toledo Junior Town Meeting. Delivering speeches on the question, "Are Youthful Marriages Wise?" were: Betty Gillespie, affirmative, Dick Bair, negative, and Albert Weiss, non-committal. Those serving on the panel were: Joann Marks, Esther Morrette, Wayne Riley, Roberta Peterson, Pat Walker, Arlis Fischer, Nancy Swartz, Pat Miller, and Phyllis Thomas.

Our next meeting, conducted for the Child Conservation League of Trilby Methodist Church on March 3, discussed this same question. Our speakers were Joann Marks and Pat Walker affirmative, Arlis Fischer and Dick Bair, negative, Albert Weiss, non-committal and Wayne Riley, moderator. The panel consisted of Esther Morrette, Nancy Swartz, Roberta Peterson, Pat Miller, Marilyn Lee, Suzetta Fling.

The final discussion of the year was the Toledo-Cambridge Trans-Atlantic Broadcast, again by the auspices of the Junior Town Meeting. We, of Whitmer, were allowed to send two speakers to discuss the question, "Can compulsory military service be made an asset to youth?" Chosen were: Betty Gillespie, affirmative and Wayne Riley, negative. Of the twenty-nine pupils from fifteen schools, Wayne was selected as first alternate speaker for the negative. There was a very close decision between Wayne and the chosen negative speaker. Wayne was given prominence by serving on the panel along with three other alternates and by sitting on the stage with the affirmative and the negative speakers.

WHITMER CIRCUS

Laughs and thrills were the basis of the 13th annual circus at Whitmer High. These, including the ladder pyramids and Helen Maris on the slack wire, were cleverly combined with rhythm work by the girls and tumbling by the boys.

Shorty Meadows stole the clown act, but Dennis Bryant, Ted Bucher, Al Stevens, Johnny Sutherland, and Bob Enciso were all close seconds. Pat Walker and Helen Steusloff were the much laughed at females.

With Albert Weiss as master of ceremonies and Mr. Clyde Brown with our Whitmer band, we feel that this years circus was a huge success. However, we realize that it could never have been possible without the skillfull and careful guidance of Miss Fisher and Mr. Stacy. We sincerely hope that their "head-aches" were not too big this year and that they will be in there pitching next year for another successful performance.

Beginner's Luck

● The girl who starts in telephone work finds real beginner's luck.

She learns her job pleasantly with other beginners just like herself—possibly from her own school. She works in light, airy offices with the latest in equipment. She relaxes in beautiful lounges with friendly co-workers.

Apply Today!

**THE OHIO BELL
TELEPHONE CO.**

"A Good Place to Work"

She takes home a good-sized weekly paycheck which she knows will increase steadily through scheduled raises. Her supervisors are congenial and understanding. They reached supervisory levels from beginning jobs just like hers. Promotions are made from within the ranks and today's greatly increased traffic has speeded up these promotions.

The telephone beginner strikes it lucky because she has chosen a company which earned its reputation for being "a good place to work".

Here's a winner with housewives! A panel of Insulux Glass Block brings extra daylight to the sink area of this first floor laundry room. And that's a spot where light is always in demand. Housewives

love the neat appearance and easy cleaning. To keep sparkling, just wipe the panel with a damp cloth. The clear window furnishes vision out and ventilation.

Build in more light--right where it belongs!

Insulux Glass Block is a "natural" for builders on the look out for beautiful and practical daylighting effects. This versatile building material is designed to do many things other materials cannot do. Investigate!

WHEN you build extra daylight into a home, you're sure to increase buyer satisfaction and acceptance.

With Insulux Glass Block it is a simple proposition to add those touches of extra light. For example, a few block will do worlds for a kitchen, a laundry, a bathroom, an entrance hall—or any other room where light with privacy is desired.

Insulux Glass Block is available in a wide variety of attractive patterns and in three sizes. It is easily installed—much in the manner of brick. Once in, it requires practically no attention. Insulux does not rot, rust or corrode and no painting is needed.

Check the plans of the next house you build. You'll find many places where the use of Insulux Glass Block would make the house more appealing and saleable. Further information on request to Dept. D-51, Owens-Illinois Glass Company, Insulux Products Division, Toledo 1, Ohio.
